

## GIS INTERN

The City of Baxter is accepting applications for a summer GIS intern (temporary) position to perform data collection, data entry and data maintenance. Valid MN driver's license required. The ability to analyze and interpret various maps, plats, legal documents and civil engineering plans is desired. Coursework or experience using ESRI ArcMap, AutoCAD, or Trimble GPS is preferred. The pay rate is \$10-\$12 per hour, DOQ. Send resume, current unofficial college transcript or description of any GPS/GIS experience along with a City of Baxter employment application. Application materials may be obtained at the City of Baxter, 13190 Memorywood Dr, Baxter, MN 56425, by calling (218) 454-5100 or by visiting our website at: <http://www.baxtermn.gov>. Position open until filled.
